Action Pack. If I say we are going anywhere else, he puts himself in his kennel and won't budge. If I say, "Let's go to Action Pack!", he runs to me and waits patiently for me to buckle up his seat belt harness. That right there tells me he loves his time at Action Pack! I have used Action Pack for training, daycare, boarding, and grooming.

...

Action Pack – From request to response. Action Pack is a framework for handling and responding to web requests. It provides mechanisms for routing (mapping request URLs to actions), defining controllers that implement actions, and

## Download Ebook Action Pack 9 Workbook

generating responses by rendering views, which are templates of various formats. In short, Action Pack provides the view and controller layers in the MVC paradigm.
